- A Worthy Man with authority provides help. V. 6-10

A "worthy" man needs help v. 1-5

- Why would a Centurion value a slave?
- What has he heard about Jesus?

"The massive interest in self-esteem and self-worth exists because it is trying to help us with a real problem. The problem is that we really are not okay. There is no reason why we should feel great about ourselves. We truly are deficient. The meager props of self-esteem teaching will eventually collapse as people realize that their problem is much deeper than their lack of self-esteem. The problem is, in part, our nakedness before God." – Ed Welch

A Worthy Man with authority provides help. v. 6-10

- How does the Centurion view himself?
- How does the Centurion view Jesus?
- How do you view Jesus?
- Why does Jesus marvel at the Centurion?
