Hold up, you in the presence of a QUEEN Ow!  
Turnt up, All the pretty bitches love me, Unnie  
Mouth full of gold with them jheri curls  
Stuntin' in some Prince shit, Diamonds and Pearls  
I'll be on my worst behavior, Hold my purse  
Runways and strip clubs, I'll be making it work  
Cuz, I'll be on one 'til I die, Middle finger up so high  
Dirty vibe, dirty vibe, Bitch I'm on that (dirty vibe)

I don't pop molly I rock microphones  
Point it atcha girl, watch her ass sing along  
Talk shit with the prettiest lips, Blow a kiss,  
Kick a hole in your speaker and then split  
Do it just for fun, I come second to none  
Swervin' in the lambo like a son of a gun  
What you ain't you ain't know
