LESSON: HOW DOES GOD HEAL?

THE POINT

Explore the mystery of faith and healing.

QUOTES

The Lord is my shepherd, I lack nothing. He makes me lie down ...
- Psalm 23:1-2 (NIV)

TO-DO

Read about a very busy day in the life of Jesus, in Luke 8:22-56. It might be one of Jesus' most amazing days of ministry as he demonstrates his authority over a wide variety of physical elements, and encounters different responses. Find who you relate most to in those stories.

Invite God to heal any area of your life that needs healing.

QUESTIONS

- 1 - Have you been healed, or know others who have experienced God's miraculous healing? Did healing come as a surprise, or as you or that person healed reached out in faith?
- 2 - How would you like for God to heal you now? What part can you play in your healing journey?
