

Chris Brown - Special Delivery Lyrics

You special

Don't know if I believe in love at first sight
But I believe in makin' love 'til the sunrise
I can't believe you got me feelin' like the first time
When we would laugh at each other and love all summer (Good vibes)
We took a cruise to my reservation
She said, "Bae, don't worry 'bout it, all I need is you"
No more waitin'
Then she grabbed my dick (She) while she lick the tattoos
Sexin' so much, we don't even get to sleep no more (Sleep no more)
And the eyes that I only wanna see are yours
All mine, she a freak when we behind closed doors
She claps, fourth quarter, can you give me more?

We could wait to fall, but it way too hard
We don't complain, we just do our thing
Don't gotta explain shit, I know this

'Cause we're locked in, you the key
I'm your locksmith, you the centerpiece
When we slow dance
Keepin' you close when we hold hands
That's when I need you the most (Baby)

You special and you sexy
You on time, always ready
Oh, she deserve a baby
She say I'm daddy, she deserves a weddin' ring

Ain't nobody like her
Boobies and that booty, ain't nobody like her
She a rider, so I fucked her on my motorcycle
You got it, top speed on the 405
Don't keep my feelings inside

I told her mother that I love her
Thank you for makin' this perfect-ass woman
I can't, I can't, get enough of her
She's always in my head and in my bed

We could wait to fall, but it way too hard
We don't complain, we just do our thing
Don't gotta explain shit, I know this

'Cause we're locked in, you the key (Woah-ah)
I'm your locksmith, you the centerpiece (When we slow)
When we slow dance (Oh, I'm keepin' you close)
Keepin' you close when we hold hands
That's when I need you the most (Tonight)

You special and you sexy
You on time, always ready (Oh-na-na)
Oh, she deserve a baby
She say I'm daddy, she deserves a weddin' ring (Oh-na-na-na)
You special and you sexy (Baby)
Girl, you on time, always ready (Yeah)
Oh, she deserve a baby (Baby)
She say I'm daddy, she deserves a weddin' ring

Your love (Yeah)
Baby, it's your love
It's your love, it's your love, your love
Ooh, woah
I know, babe
It's your love
I know this 'cause we-
