WELCOME TO THE AUTUMN CLASSIC!

On behalf of the Autumn Classic Management Team, the TBAYS Staff and Board of Directors, I would like to thank each of you and your teams for competing in the Autumn Classic this Fall. It is our sincere hope that your tournament experience here will be an enjoyable and rewarding one.

It brings us great joy to host so many players and having the soccer joy spread across our fields over the weekend.

The Autumn Classic is a youth soccer tournament hosted in beautiful Traverse City. One of Northern Michigan's most beautiful areas. This tournament takes place on the 3rd weekend in September every year. This year we will host over 150 teams competing across the 72 acres of fields at Keystone Soccer Complex. This is one of the most sought out Fall Tournaments in Michigan to attend each year!

We expect over 10,000 attendees over the course of the weekend so please understand that traffic will be condensed at high game times. There is plenty of parking throughout the facility. *There is a NEW entrance to Keystone Soccer Complex*, this is located on Keystone at the Keystone/Cass Roundabout. The facility is a two-way system so make sure to keep the driveways clear and we encourage carpooling when possible. Parking along Keystone Road and the railroad tracks is not permitted and you could be ticketed or towed.

I would like to acknowledge and thank the MANY hands that have made this tournament possible. There are too many to acknowledge, but this tournament would not be possible without our refs, coordinators, volunteers, sponsors and TBAYS Staff. Thank you Erich Shrewsbury for putting the referees together and assisting with the weekends management. Please remember to treat the refs with #respect. Thank you to Marc Franklin for his dedication to the tournaments year after year behind the scenes and thank you to the medical staff on site this weekend. Thank you to the Traverse City Tourism staff for creating the tournament brochure, assisting with area hotels and providing a fantastic Northern Michigan opportunity for our soccer family attendees. We want to thank the Michigan State Police for benign on site during the high traffic times over the weekend to assist with the traffic flow. Most of all thank you to our TBAYS Staff and Board Members for stepping in behind the scenes and at the fields to create the most memorable tournament experience for all of our participants.

We all wish you the best luck this weekend on the pitch in your drive towards the championship of the Autumn Classic. All we ask is that you play fair, play hard, be respectful of the rules all while having fun and enjoying the weekend. Be sure to take some down time and check out the beautiful Traverse City sights and restaurants while you are here.

Thank you,

Connie Campbell

25. 7v7 PROVISION:

Offside is called from the build out line to the end line.

We WILL utilize the build out line – Per US Soccer, the Build-Out Line promotes playing the ball out from the defensive third in a less pressured setting. When the goalkeeper has control (with their hands) of the ball during play, the opposing team MUST move behind the Build-Out Line until the ball is released (put in play) by the goalkeeper.

Once the opposing team is behind the Build-Out Line, the goalkeeper's six-second count will begin and can then pass, throw, or roll the ball into play to a teammate (punts or drop kicks are NOT allowed). After the ball is put into play by the goalkeeper, the opposing team can cross the Build-Out Line and play resumes as normal. The build out line will be marked mid-way between the top of the penalty box and the halfway line.

Also, the opposing team MUST move behind the Build-Out Line for a goal kick restart and may only cross the Build-Out Line once the ball is in play (meaning that the ball has left the penalty area).

Restarts/Free-kicks – All free-kicks outside of the penalty area will be indirect.

All restarts from inside the penalty area will conform to FIFA rules for penalty kicks, which will be marked 8 yards from the goal line.

On pass back to keeper, keeper may play ball at feet but NOT handle, as per FIFA rules.

We will utilize a one ref system for 7v7 games.

26. CANCELLATION POLICY: Should the tournament not have enough teams to conduct a tournament and the tournament is cancelled, team fees will be refunded (minus \$50 admin fee) due to tournament cancellation. *This is only if the tournament is canceled due to lack of team numbers*. Please see the Refund policy & Covid-19 refund policy above (rule #16) for clarifications.

You've arrived at a perfect time. You'll start to see the tinges of fall colors as the trees prepare to put on a vibrant show. The bays, lakes and rivers will greet you like a long, lost friend. Sights and attractions that lure visitors to the region from around the world are in your backyard.

There's so much to see and do for the whole family. Here are a few suggestions:

- Sleeping Bear Dunes National Lakeshore – Voted by ABC Good Morning America viewers as the most beautiful place in America. Kids can hike up the dune climb, but the real fun is when they run back down the hill of sand.
- Drive Old Mission Peninsula – Check out Mission Point Lighthouse and learn about the fascinating maritime history of the Great Lakes.
- Explore Frankfort – Take the short drive to this charming village and witness a stunning sunset over Lake Michigan.
- Shop the Village at Grand Traverse Commons – One of the largest historic preservation projects in the country. It is a fun place to shop and learn about the history of this one-time asylum.
- Savor the restaurants – There is a flavor for every palate. The kids may like The Little Fleet and their eclectic collection of food trucks. You may want the fine dining of Red Ginger or the Boathouse. If you're looking for a great burger check out Oakwood Proper Burgers, Slabtown Burgers or step back to the traditional drive-in at Don's Drive-In. Always good to make reservations in advance.

I'm sure you'll find there is much more to do in Traverse City than you can fit in just one weekend. That's great, we want you to return!

Next time explore over 40 wineries of Traverse Wine Coast or check out the vibrant craft brewery scene or the creativity of local distilleries. Enjoy the freshwater beaches of summer. Be dazzled by the cherry blossoms of spring. Have a blast with the whole family and enjoy winter skiing or fat tire biking. You can't pick a bad season in Traverse City.

For more information go to TraverseCity.com. Enjoy the tournament and come back soon.
