

SIMPLIFY YOUR PURCHASING

What is BuyBoard?

The BuyBoard National Purchasing Cooperative was created to obtain the benefits and efficiencies that can accrue to members of a cooperative, to comply with state bidding requirements, and to identify qualified vendors of commodities, goods, and services. The Cooperative also relieves the burdens of governmental purchasing by effectively using current technology and realizing economies of scale.

POWER IN NUMBERS:

8,000+ members and mounting

2,330+ vendors and growing

2+ decades delivering economies of scale

MEMBER BENEFITS:

Signing up is easy and membership is FREE!

Compliance & Transparency

Contracts and vendors are competitively procured to assist members with compliance and a documented audit trail.

Increased Purchasing Power

By combining the purchasing needs of thousands of members across the country, the Cooperative ensures competitive pricing.

Value & Choice

With thousands of products and vendors to choose from, members will find almost everything needed to support their organization.

Streamlined & Cost-Effective Procurement

Members save time and resources that would have been spent preparing and conducting formal RFPs.

Convenient RFQ Process

Members can request pricing on volume needs from multiple vendors in an efficient process that can be finalized in a matter of days.
