

# The Gregory Brothers - It's Corn Lyrics

For me, I really like corn  
What do you like about corn?

It's corn  
A big lump with knobs  
It has the juice (it has the juice)  
I can't imagine a more beautiful thing (woo)  
It's corn  
I can tell you all about it  
I mean, look at this thing  
When I tried it with butter, everything changed

Well, the best thing about corn is the grease  
The corn break can restore your energy  
You really appreciate the hard work when you love something  
If you or anyone loves corn, if you come to me, I can tell you all about it  
If I was surrounded by corn, I would eat all of it  
Grow big and strong  
Look at this, take a lump with the knob  
Spread butter on  
Boil and toast it with the grease  
Butter spreads out the good taste  
I just saw corn as disgusting, but everything changed

It's corn  
A big lump with knobs  
It has the juice (it has the juice)  
I can't imagine a more beautiful thing (woo)  
It's corn  
I can tell you all about it  
I mean, look at this thing  
When I tried it with butter, everything changed

I hope you have a corntastic day  
A corntastic day?

What? It's just a pun about corn, okay? (Woo)

It's corn

When it's like negative in the world

Take the corn break (corn break)

Take the corn break

Corn dance

Mm, corn

Ippety, bibbly, dibbly-bop, corn dance

Mm

Anything else you wanna say about corn before we go?

Yeah

What?

It's corn

A big lump with knobs

It has the juice (it has the juice)

I can't imagine a more beautiful thing (woo)

It's corn

I can tell you all about it

I mean, look at this thing

When I tried it with butter, everything changed

It's corn

A big lump with knobs

It has the juice (it has the juice)

I can't imagine a more beautiful thing (woo)

It's corn

I can tell you all about it

I mean, look at this thing

When I tried it with butter, everything changed

It's corn
