# OPIOID PRESCRIBING IN DENTISTRY

## Attention: Lehigh Valley Dental Society Members

Join Quality Insights for the Opioid Prescribing in Dentistry live webinar learning session at **NO COST!**

**Thursday, April 4, 2024**

**7:00 p.m. to 8:00 p.m.**

**REGISTER TODAY!**

### Expert Presenters:

- Danielle Collins, RN
- Janine Burkhardt DMD, MPH, MAGD

### Course Objectives:

- Advise the oral health community on the role they play in addressing the opioid epidemic.
- Provide guidelines to inform the oral health community how to appropriately manage dental pain.
- Provide resources for the oral health community pertaining to opioids in dentistry such as PDMP usage, electronic prescribing, and further education.

### Continuing Education

This training series **can be applied to the NEW required eight training hours** on the treatment and management of patients with opioid or other substance use disorders, as mandated under the Consolidated Appropriations Act of 2023 for all Drug Enforcement Administration (DEA)-registered practitioners.

*These activities have been planned and implemented in accordance with the accreditation requirements and policies of ADA CERP through partnership with the Office of Drug Surveillance and Misuse Prevention and the University of Pittsburgh. The maximum number of hours awarded for this Continuing Education activity is **1.0 contact hours**.*

### Questions?

Please email Rabecca Dase at  
[rdase@qualityinsights.org](mailto:rdase@qualityinsights.org).

Prior to the session, please complete the **Pre-Evaluation**.
