

To Whom It May Concern,

I am writing on behalf of FASST Performance Systems and Built 4 It Training to share my highest recommendation for Britney Hoover.

This summer, I had the privilege of witnessing Britney consistently show up and give her best effort in every drill asked of her. She pushed her physical and mental limits all summer to achieve her goal of becoming more athletic and explosive.

Now that volleyball season is in full swing, it has been rewarding to see her hard work pay off on the court. Her level of dedication and determination is truly elite for a high school student.

These traits and skills will undoubtedly serve her well in her future endeavors, and I look forward to seeing where her journey takes her.

Sincerely,

Willie Pile

Performance Trainer
