Fast forward to 2022, the Band is under the capable command and directorship of Assistant Superintendent of Police Deland St Jules. Mr. St. Jules is task with leading us into our Diamond Jubilee of 75 years of existence. The National Combined Schools Choir came together for its first performance in December 2021. It started with a modest number of approximately 20 students and has now grown to a vibrant 50-member choir, with students spanning from education districts 1-4. The group is led by Robert Rene as the lead director with support from 3 other directors namely Darleen Monrose Embert Placide and Musical Director Jardé Pierre.
