Your Voice Matters - Help Shape the Future of the Chico Community - The HUD Consolidated Plan Survey Ends January 31, 2025

CHICO, CA – January 15, 2025 - There is still time for residents to share their vision for the community by participating in the 2025-2029 U.S. Department of Housing and Urban Development (HUD) Consolidated Plan survey. Don't miss this opportunity to make your voice heard and help shape Chico's future. The deadline to complete the survey is Friday, January 31, 2025.

The input from Chico residents guides the City in creating budgets for two critical programs: The Community Development Block Grant Program (CDBG) and the HOME Investment Partnerships Program (HOME). These programs support vital initiatives such as affordable housing, public services, and neighborhood revitalization - all efforts that directly impact the well-being of the community's most vulnerable populations.

The survey is available in both English and Spanish. Participation is easy and takes only a few minutes. The feedback gathered will play a pivotal role in shaping the priorities and strategies for the City's use of HUD funding through 2029.

How to Participate:

- **Online:** Access the survey through the City's website at www.chicoca.gov/housing, or directly at <https://www.surveymonkey.com/r/Chico5HUDPlan> (English) or <https://www.surveymonkey.com/r/SpainChico5HUDPlan> (Spanish)
