Individual workspaces are getting ever smaller, but workers still need storage. Our narrow 3 drawer mobile steel pedestals are utilitarian, yet they have been designed to blend in and complement the desk frames and interior design. At only 300mm wide and available in 3 finishes, they are perfect for smaller work areas to keep personal belongings safe and secure, and the solid construction delivers a cabinet with quality and durability.

To create a productive, efficient workplace, it's important to maximise space in the office. Our executive filing cabinets have been designed to make the most of even the smallest footprints, not only to store important documents, but they can also be combined to divide space and define work areas. Fully extendable drawers allow for easy access and in your absence, the cabinet can be locked for security.

A combination of market-driven design and high quality UK manufacturing ensures that the steel public sector filing cabinets are well suited for all office environments, including for public sector tenders. Investing in lockable storage such as filing cabinets and creating a system for filing away paperwork will meet all the demands for the recently introduced GDPR regulations for businesses.

Systems storage cupboards with tambour doors which slide and retract smoothly to save space and offer access to the entire cupboard offer practical storage solutions for any office. Offering an increased level of security, the aluminium tambour doors recede smoothly into the cabinet carcass leaving office aisles and walkways unobstructed. Supplied fully assembled, tambour cupboards cater for all your filing and storage needs without compromising on style.
