

# Today's Chill

## Apple Music Electronic

UPDATED YESTERDAY

Preview

**Editors' Notes** Some of electronic music's most exciting developments take place in low-key sounds that thrill as gently as possible. Drawing from downtempo, bass, trap, synth-pop, house, ambient, and more, these are the songs redefining the sound of chill on a daily basis. Our editors regularly refresh this playlist. If you like a track, add it to your library.
