Caddy Guide

OUR MISSION

Dedicated to Promoting and Developing the sport of Disc Golf.

We are devoted to progressing the sport of disc golf. We encourage participation in disc golf through recreational and competitive activities. We accomplish this by executing diverse marketing techniques to promote players, events, and courses. We are the industry standard when it comes to designing and organizing the essentials for an extraordinary disc golf experience.

We are an organization of disc golf loving entrepreneurs. Our disc golf roots go back to the early 2000s. What started with renegade style courses and selling discs out of the trunk of our car, has developed into a passion for technology, business, and facilitating the advancement of the sport in our local communities.

We've worked with numerous municipalities, businesses, and associations to create unique and memorable experiences through the sport of disc golf.

When we're not disc golfing, you'll find us spending time with our loved ones.

Veterans for Vets 2021

Presented by Aloft Disc Golf

Saturday, February 27th, 2021
Almira Township Park

Welcome everyone to Veterans for Vets presented by Aloft Disc Golf. Thank you all for making it out to the first event of our 2021 series.

We are forever grateful to those who have served and continue to protect our freedom. This benefit will help provide funding for urgently needed resources and support for combat wounded, critically ill and catastrophically injured members of the U.S. Armed Forces and their families. We've chosen Semper Fi & America's Fund as the beneficiary of this event.

As you all know, the COVID pandemic has changed the way we live and play disc golf. For everyone's safety, if you have COVID-19, are ill or exhibiting common symptoms of the disease, or are in direct contact with someone that has COVID-19, you may not participate and will need to leave.

- We are playing 1 round of 18 holes
- Lost Discs: If you cannot find a disc after 3 minutes, rethrow from the previous lie with a penalty stroke.
- If your name is listed first on your starting hole, please grab your scorecard
- There are CTP or Long Putt prizes on every hole. Only write your name if it applies to your division, or if you paid into 50/50s. Please grab the flag once you've completed your last hole
- We strongly encourage that one person per group keeps score
- Please add up your scores before turning in your card
- Awards and the raffle will follow shortly after all cards have been turned in
- Trophies are awarded for the top three in each division.
- We are raffling a red, white, and blue portable Dynamic Discs Veteran basket. Tickets: \$1 each, 6 for \$5, or 30 for \$20

Tilley's Party Store is a proud sponsor of the Northern Michigan disc golf community since 1999.

Northern Michigan is pretty awesome. Equal parts bucolic countryside and adventure basecamp, for many it's a travel destination; for us it's home. Dunegrass is Northern Michigan's own cannabis brand, elevating the up north experience. So enjoy everything Northern Michigan has to offer from our unique Dunegrass vantage point.

Part of the up north experience includes partnerships. We put an emphasis on working with local partners to keep our supply chain as localized as possible. This approach allows us to reinvest in Northern Michigan communities.

Dunegrass, offers a wide array of flowers, concentrates, edibles and topicals all grown, processed and tested in Michigan by licensed partners.

Dunegrass, Northern Michigan's Own.

Locations currently open in Manistee and Big Rapids.
Coming soon to Beulah, Cadillac, and Marquette.
