Congratulations to all of the great businesses who were nominated in this year's Best of the Region.

Despite the challenges that we have all faced in 2021 our community came together to help make this our strongest Best of the Region yet.

With over 300,000 votes cast, over 5600 businesses nominate and 624 winners for 2021, this edition shattered our expectations. This results section is truly your time to shine and to celebrate your success for 2021.

Shopping local is more important now than ever. The last few months have been challenging for the local business community. We all have a part to play.

By supporting local business we can make a positive impact on our local economy. Whether your favorite local business is listed on these pages or not, make sure to find ways to buy local.
