

# THE STORY OF **CLARENCE**

His name comes from one of our all-time favorite Christmas movies, "It's a Wonderful Life", where George's guardian angel Clarence brought hope to him in his moment of despair. He is a reminder that we went through these times and persevered, we are resilient and together, we can get through anything, even an unexplained toilet paper shortage.

Made in Massachusetts by our brother-in-law, Allen  
of All American Pewter. Proudly sold by [PlymouthCards.com](https://PlymouthCards.com)
