CHOOSE YOUR STYLE

The most beautiful shirt in the world. All our models are designed to give you maximum comfort and quality in every situation, from office to leisure. With our charts, we help you choosing the most suitable model: Naples with classic fit, Milan with classic slim fit and Tokyo our slim sport shirt. Follow the directions and find your favorite.

A) Mid-chest: Measure the width of the chest from seam to seam, below the armpit seams.

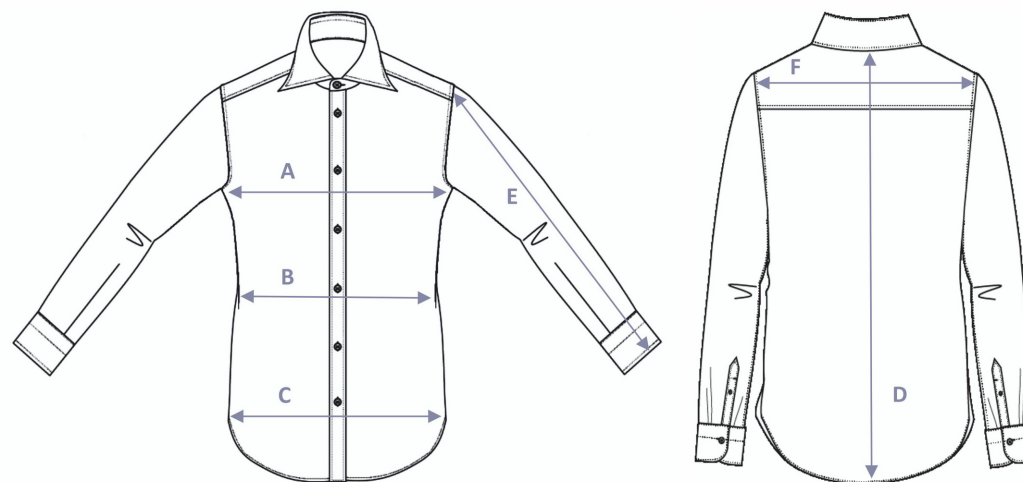

B) Half Waist: Measure the waist at the narrowest width of the garment going from seam to seam.

C) Hip: Measure the gasset point from seam to seam.

D) Length: At the back, measure from the base of the collar untill the bottom of the shirt.

E) Sleeves: Measure from the beginning of the shoulder seam to the end of the cuff. Hold the tape measure outstretched to avoid creases.

F) Yoke: Measures the yoke from point to point.
