Weight: VdS class 5	610 kg	(1,345 lbs)

Security rating

Available in the VdS/EN security classes 3 to 5

Description

The interior of the high-security safe was designed by Döttling with the objective of "maximum versatility". Inside the Fortress, there is also a humidor made of original Spanish cedar. The CIGARSPA electronic humidifying system ensures that the treasures inside the humidor are always stored under ideal climatic conditions. A hygrometer and a barometer, both from Wempe, stylishly provide information about humidity and air pressure. Metal fittings in polished finish.
