

# Focus Song Lyrics (English)

(re: [www.rclyricsband.com](http://www.rclyricsband.com))

I know what I came to do  
And that ain't gonna change  
So go ahead and talk your talk  
'Cause I won't take the bait  
I'm over here doing what I like  
I'm over here working day and night  
And if my real ain't real enough  
I'm sorry for you bae

Let's find a light inside our universe now  
Where ain't nobody keep on holding us down  
Just come and get it let them say what they say  
'Cause I'm about to put them all away

Focus on me (fuck, fuck)  
Focus on me

Focus on me (fuck, fuck)  
Focus on me

Focus on me (focus)  
Focus on me (focus on me)

Focus on me (focus, fuck, fuck)  
Focus on me (focus on me)

I can tell you're curious  
It's written on your lips  
Ain't no need to hold it back  
Go head and talk your shit  
I know you're hoping that I'll react  
I know you're hoping I'm looking back  
But if my real ain't real enough  
Then I don't know what is

Let's find a light inside our universe now  
Where ain't nobody keep on holding us down  
Just come and get it let them say what they say  
'Cause I'm about to put them all away

Focus on me (fuck, fuck)  
Focus on me

Focus on me (fuck, fuck)

Focus on me

Focus on me (focus, fuck, fuck)

Focus on me (focus on me)

Focus on me (focus, fuck, fuck)

Focus on me (focus on me)

One, two, three

Come on girls

You know I like it

Come on now

Focus on me

Let's find a light inside our universe now

Where ain't nobody keep on holding us down

Just come and get it let them say what they say

'Cause I'm about to put them all away

Focus on me (fuck, fuck)

Focus on me (you know I like it when you focus on me)

Focus on me (fuck, fuck)

Focus on me (focus on me!)

Focus on me (focus, fuck, fuck)

Focus on me (focus on me)

Focus on me (focus, fuck, fuck)

Focus on me (fuck, fuck)

Focus on me

Focus on me (fuck, fuck)

Focus on me

Focus on me (focus, fuck, fuck)

Focus on me

Focus on me (focus, fuck, fuck)

Focus on me (focus)
