# WELCOME

Thank you for joining us this morning as we celebrate Scouting. The William Henry Harrison District is proud to make adventure, character development and personal growth possible for our youth, though we could not do it without the support of friends and volunteers like you. Your virtual presence today demonstrates Scouting's true impact and we hope you will continue to help us shape tomorrow's leaders. Enjoy the program!

## DAN BEARD COUNCIL MISSION STATEMENT

The mission of the Dan Beard Council is to prepare more than 23,000 youth & families in the Cincinnati and Northern Kentucky area to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.

## SCOUT OATH

On my honor, I will do my best  
To do my duty to God and my  
country and to obey the Scout Law;  
To help other people at all times;  
To keep myself physically strong,  
mentally awake and morally straight.

## SCOUT LAW

A Scout is:

Trustworthy,	Obedient,
Loyal,	Cheerful,
Helpful,	Thrifty,
Friendly,	Brave,
Courteous,	Clean,
Kind,	and Reverent.

# Home City Ice

#### ADVANCED PRODUCTION & FILTRATION

Industry leading production practices and advanced technologies set us apart from anything your ice maker can make.

#### FAMILY VALUES, BIG COMPANY CAPABILITIES

The Sedler family took over Home City in 1934, and have slowly but surely grown the company to what it is today. Every customer, and every employee matters just like the first.

#### 24x7

When you need ice, you need ice. We run production in the summer months around the clock to keep plenty of product on hand, and staff our trucks seven days a week. We don't rest if you don't.

#### WE'RE INTO DISTRIBUTION

Most companies have big plants hours apart. Home City Ice made the conscious decision decades ago to invest in smaller plants, closer together. The result? Fewer customers per facility closer to the source of production. More attention, quicker.

During his career, he played all five line positions and was a key player on the 1981 Bengals squad that won the AFC championship, but ultimately lost Super Bowl XVI to the San Francisco 49ers. He has served as the Bengals radio color commentator for over 30 seasons, is also a local Bengals TV analyst and radio host, and is a Big 12 football analyst for Fox Sports Network.

\*Barron's awarded the #1 in Ohio in America's Top 1200 Financial Advisors for 2016-2020 to Valerie Newell. The State rankings draw from all 50 states, plus the District of Columbia, with the number of ranking spots distributed in proportion to state population and wealth. Rankings are based on data provided by individual advisors and their firms. Advisor data is confirmed via regulatory databases, crosschecked with securities firms and conversations with individual advisors. The formula Barron's uses to rank advisors is proprietary and has three major components: assets managed, revenue produced and quality of practice. Investment returns are not a component of the rankings because an advisor's returns are dictated largely by the risk tolerance of clients. The quality-of-practice component includes an evaluation of each advisor's regulatory record. The award is not indicative of future performance and there is no guarantee of future investment success. For additional information, visit [www.barrons.com](http://www.barrons.com).

Mariner Wealth Advisors ("MWA") is an SEC registered investment adviser with its principal place of business in the State of Kansas. Registration of an investment adviser does not imply a certain level of skill or training. For additional information about MWA, including fees and services, please contact MWA or refer to the Investment Adviser Public Disclosure website ([www.adviserinfo.sec.gov](http://www.adviserinfo.sec.gov)).
