**Article 3:**

**Everyone that works with children should do the best for them**

Friday 29<sup>th</sup> January 2021

Dear Parent/Carer,

As January 2021 comes to a close, I don't think any of us thought that we would still be in the position we are in with the Covid-19 Pandemic. Our wonderful Welsh Winter rain seems set in for a while and our school is not quite the same without all of our Cwmnedd children.

Today's announcement by Kirsty Williams the Education Minister for Wales, gives us a little hope of some form of return to school in the near future, but understandably this also relies on the virus reducing within the community. We will keep you up-to-date with all developments but what we do know is the provision for Key Worker children and vulnerable learners will continue after half term.

**THANK YOU - YOU ARE AMAZING!**

I wanted to take this opportunity to say a huge **Thank You** to you our Cwmnedd families. As I have said previously, nothing will replace the face to face learning that happens in the classroom, and when we return, our priority as a school will be to ensure we meet the Wellbeing needs of our children, as well as catch up on lost learning.

In the meantime, whatever support you are able to offer your child at home with their learning is enough. Remember to ensure that you take time as a family, enjoy conversation, make time to be outside and contact school if you need support.

A HUGE THANK YOU too to our families that use our school provision – your daily care and kind words really help us!

**CWMNEDD CWTCHES**

Most importantly I just want to send a **HUGE CWMNEDD CWTCH** to our fantastic Cwmnedd children. You are doing a super job at home, are trying your best with your learning and making us all feel really proud of you. This Cwtch is also for our wonderful Cwmnedd children who attend school to use provision – you always help to make us smile and fill our school with happiness and laughter!  
**A big squeeze from all staff at Cwmnedd until we can be together again!**

Best wishes to you all, please continue to stay safe by following Government Guidelines

Miss S A Harwood  
**Headteacher**

**Article of the Month for January 2021:**

**Article 29**

**The right to become the best that you can be.**
