PEANUT & PRETZEL

We keep it light taking the **crispy, natural goodness of seeds, grains, nuts and pretzels** then we slather them all in **smooth, creamy chocolate**.

Ooh, and we do it with 50% less sugar*.

CHOCOLATE SPECKLE

We keep it light, taking the **crispy, natural goodness of seeds, grains and nuts**, and we've thrown in some chocolate chips too. We've then smothered them all in **smooth, creamy chocolate**, and topped it all off with **colourful sprinkles** (nothing artificial of course).

Ooh, and we *still* do it with 50% less sugar*.
