As a Cleaning Attendant, you may be rostered to various locations across the network during your employment.

Training to be a Cleaning Attendant

The training program will teach you all the skills you need to confidently perform the role of a Cleaning Attendant.

The Cleaning Attendant training program provides you with the required skills and knowledge to:

- Operate the tools of the trade including cleaning equipment
- Communicate effectively using apps, mobile phones and radio
- Support the on-time running of trains so ensure customers get to where they are going efficiently.

The Cleaning Attendant program requires determination to successfully complete so you should be prepared to commit and give your best during this important introduction to your new role.

Program structure

Before you begin working as a Cleaning Attendant, you will complete a few weeks of paid full-time training which includes workshops to learn about your role and Sydney Trains, competency assessments and on-the-job training.

Once you are prepared and confident to undertake your role, you will be rostered to a station or other location as a Cleaning Attendant.

Off-the-job training

You will learn in a workshop-style environment, as well as in live stations and platforms. This includes completing computer-based e-learning activities and participating in station visits to practise your new skills.

On-the-job training

You will gain hands on experience and use real equipment in real life scenarios and situations. This allows you to practice and learn how to apply new skills and knowledge in the real working environment with all its complexities.

By participating in the initial employment training program, you will learn the skills you need to confidently perform the role of a Cleaning Attendant.

70:20:10 learning

Your training will follow the 70-20-10 model which represents quantities of time spent on each learning activity.

70% is on the job learning through doing the role on the job.

20% is from mentoring and relationships, such as learning from others.

10% of the learning takes place in a formal learning environment, in workshops and via eLearning.

70-20-10 represents relative quantities of time, not importance.

Assessments

You will be required to sit through number of assessments in order to successfully complete your training. These will be delivered in a variety of formats such as in a classroom, and on-the-job training.

About Sydney Trains

At Sydney Trains, our rail services keep Sydney moving by putting our customers at the centre of everything we do. We work with our local communities to deliver safe, timely and efficient rail services 24 hours a day, seven days a week.

Our trains and network are evolving to meet the needs of our customers now and well into the future. We're continuing to integrate technological innovations that help us deliver a smarter and more sustainable network.

We operate quick, frequent and reliable services in the Sydney suburban area bounded by Berowra, Richmond, Emu Plains, Macarthur and Waterfall stations.

Each week, around half a million people take journeys on Sydney Trains on over 3,000 services across the network.

These journeys are supported by a workforce of over 10,000 staff who manage nearly 170 stations, over 2000 train carriages and 1,500 kilometres of track. For over 160 years, Sydney Trains has played a critical role in the provision of transport services for Sydney and prides itself on keeping customers safe and moving across Sydney.

About the Customer Experience branch

The Customer Experience branch brings together our Service Experience and Customer Environment teams.

The teams work seamlessly together to manage station environments and ensure customers enjoy their journeys through stations and precincts across the Sydney Trains network. The branch drives our customer focus through continually improving the experience of customers and ensuring our people bring their best to every customer engagement every day.

This role sits in the Service Experience team which consists of around 2,000 staff at nearly 170 stations distributed across five regions in Sydney.

We have huge challenges ahead of us with increased patronage and evolving customer expectations. It means that we need to remain focused on the delivery of consistently excellent service and strong operational performance, while at the same time delivering major projects to support more customer journeys in the future.

Our focus

- Delivery of exceptional customer service underpinned by our Customer Service Principles
- Using technology and digital tools to assist us support customers to plan and manage seamless journeys across Sydney
- A strong focus on our customer environment, including station-based upgrades and enhancements
- Improved customer information to deliver real-time customers updates during journeys
- A greater emphasis on continuous improvement
- Safety and wellbeing of our customers and our people.

Our unique challenges

With continual improvements to the train network come ever greater challenges for our team. We need to be more productive and efficient to provide better value for money to customers.

Our future challenges include:

- Integrating the Sydney Metro and new public transport hubs and precincts into our network
- Welcoming customers back to public transport after a long absence during the pandemic
- Growing population in Sydney and anticipated growth in public transport journeys and freight services over the coming decade.

Code of conduct

Sydney Trains employees must:

- Behave honestly, courteously and ethically.
- Work in a safe, healthy and efficient manner.
- Observe the enterprise agreement, policies and procedures, and job requirements.
- Act in the best interests of Sydney Trains and its customers.

Drug and alcohol policy

Sydney Trains is a drug and alcohol free workplace and is committed to providing a safe environment for all employees, contractors and customers through reducing the risks created by the use of drugs and alcohol.

To achieve this vision, everyone in the workplace is required to:

- Participate in our random drug and alcohol testing program.
- Have test readings showing zero concentration of alcohol in the blood.
- Have a test reading less than the cut off level stipulated in the Australian / New Zealand Standard 4308 (AS/NZS 4308) for tolerances of drugs.
- Not have or sell alcohol or prohibited drugs in the workplace.
- Not be in possession of any item or piece of equipment for the use or administration of a prohibited drug at any Sydney Trains workplace.

The Sydney Trains Drug and Alcohol program is consistent with our corporate values and behaviours. It also provides support for our employees to remain drug and alcohol free while at work.

Measures to reduce safety risk, absenteeism and other effects in the workplace due to the consumption of drugs and alcohol will include the opportunity to self-identify and seek help, rehabilitation programs and education on drug and alcohol related issues.

Uniform and grooming standards

Sydney Trains employees must present themselves in a professional manner, including wearing the designated uniform and required safety gear appropriate to operations.

The recruitment and selection process

Sydney Trains has a merit-based recruitment and selection policy.

Merit is decided by taking into account the relevant position and assessing the skills, abilities, qualifications, experience and personal qualities of each applicant.

We use a variety of techniques to assess and validate key knowledge areas, critical skills and fit for the role:

- Pre-screen questions as part of your application
- Phone screen
- Assessment day and interview
- Medical and fitness assessment
- NSW Government Agency employment review
- National Police Check
- Reference checks

Assessment day and interview

You will be required to attend an assessment day where you will complete a number of assessments. The assessments have been selected to reflect the skills and abilities required to effectively and safely perform in the role of a Customer Service Attendant.

Applicants who meet the selection criteria and the standards will be invited to attend a panel style interview on the same day. Your interview is to assess the non-technical behaviours and capabilities of the role.

At the interview you will be asked to respond to several 'behavioural based' questions. Behavioural questions require you to demonstrate how you behaved in a specific work situation.

In your response to a behavioural question, you should identify and explain an example from your work history that relates to the question.

Take a look at our [application tips video series](#) for plenty of great information on navigating and acing the application and recruitment process.

NSW Government employment review

Service history checks are undertaken on all current and previous Sydney Trains (RailCorp, State Rail or Rail Infrastructure Corporation RIC) employees. A service history check is also undertaken on all current NSW Government agency employees. A satisfactory service check is required before an application will be progressed to the next stage.

Reference checks

In your application form you will be asked to provide the contact details of two recent work related referees.

Referees should be a current or previous manager or supervisor who can comment on your work performance from the last five years. Personal character referees are not accepted. Referee details can be updated at the pre-employment check stage.

Medical assessment

The Cleaning Attendant position requires a Category 3 medical assessment. The assessment covers physical and psychological health to determine if there are any conditions which could affect the ability to do rail safety work. Category 3 assessments include health questionnaires and clinical examination including vision (defective safe A).

Health questionnaire

The questionnaire helps identify health conditions which affect the ability to perform Category 3 rail safety work.

Your medical assessment covers:

- General work tasks including accidents or near misses.
- General health including medications and treatment.
- Epworth Sleepiness Scale, a screening tool for sleep disorders and excessive daytime sleepiness.
- AUDIT questionnaire, a screen for alcohol dependence.
- K10 questionnaire, a screen for anxiety and depression.

Clinical examination

A clinical examination is a part of your overall medical assessment to ensure you're able to carry out all duties for Category 3 rail safety work.

National Police Check

A National Police Check is conducted through an authorised agency on all external applicants.

Applicants found to have a criminal record will have their individual circumstances taken into consideration. Depending on the offence and when it occurred, a criminal record does not automatically disqualify candidates from the recruitment process.

Appointment process

This recruitment campaign aims to fill a number of permanent full-time and part-time Cleaning Attendant positions based in Sydney. If you are successful you will be notified regarding your commencement date.

An Eligibility List of additional successful applicants may be created for future full-time and part-time Cleaning Attendant vacancies (valid for up to 12 months).

There is a 3-6 month probationary period from date of commencement; this may be extended under certain circumstances.

Our COVIDSafe Measures Policy

All Transport for NSW workers are required to have:

- Appropriate evidence of being fully vaccinated with a TGA approved COVID-19 vaccine; or
- An approved medical contraindication.

You will be required to show proof of your COVID-19 vaccination status or apply for a medical exemption prior to securing this role.

Job-related testing, more information

What is job-related testing?

- Job-related testing is used by Transport for NSW (TfNSW) to assist in determining a candidate's suitability for employment
- Testing ensures that our selection decisions are objective and fair and based on a candidate's ability to perform in the role effectively
- Testing makes up just one component of the selection process
- All testing sessions are administered under standardised testing procedures, this means the same conditions for everyone

Job-related testing consent

When you lodge an application you give consent for TfNSW to:

- Undertake job-related testing with you
- Use the information gathered from testing to assist in determining your suitability for employment as a Cleaning Attendant
- Use your results for research purposes - at which time any personal information such as your name and date of birth is removed
- Use the results to assist staff development, should you be appointed to the role
- Assist decision making of third parties in the event of a review (where applicable)

Job-related testing — validity of results

- The results for the Reading Comprehension you complete will remain valid for 12 months
- You will not be eligible to re-sit this test again within that time

Any valid testing results you have will be taken into consideration if you apply for other TfNSW roles in the next 12-months which use the same tests. i.e. if the same tests are used in the recruiting process for roles within Sydney Trains and NSW Trains, then the results from today will transfer over and remain valid for a 12-month period.

Job-related testing confidentiality

- All of the information collected throughout the job-related testing is treated with strict confidentiality
- Only those responsible for processing your application (Recruitment & Assessment Services) and the Selection Panel will have access to your test results
- It is important that you do your best. If you feel you cannot complete the test to the best of your ability on the day of your testing, please let us know and we may be able to reschedule you to another session.
