

Welcome to the May 2022 IB Examination period. Almost all IB Exams will be held at **Pinellas Technical College--Clearwater Campus** (You will receive an email if your French or Spanish Listening exam will be held at Largo High School.)

Please be aware that if a student misses an IB Exam they will not have completed the requirements to earn their high school diploma. College and university admissions require that you earn your diploma.

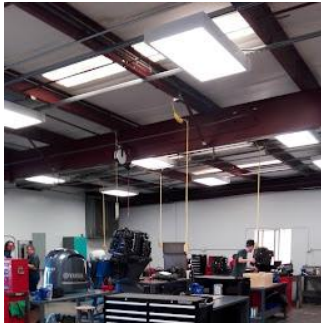

The moral of the story is to arrive on time and **take all five of your IB Examinations.**

Please attend each exam and **arrive at PTC-Clearwater at least 30 minutes before your exam begins.**

1. **Arrive at 7:30 am for morning exams.**
2. **Arrive at 11:30 am for afternoon exams.**
