

The Saxo Market Call podcast - Wednesday, May 4, 2022

NOTE: The slides here that accompany the podcast will occasionally mention financial instruments that are not tradable for all retail clients, depending on the relevant appropriateness test. Financial instruments mentioned can range from low to high risk, and our thoughts on the market should not be viewed as investment recommendations, but inspiration and information to gain a better understanding of current market dynamics.

US equities nervously eye the FOMC meeting tonight

Saxo equity themes performance overview

Sorted on one-day return
