2024: A GREAT MILESTONE!

Con l'inizio del 2024, ci troviamo di fronte a una **tappa fondamentale**. In questa data si uniscono **tre anniversari** per la storia di Carioca. Nel 2024, celebreremo i **70 anni** dall'inizio dell'attività imprenditoriale che ha portato alla creazione della nostra attuale società, attraverso tre cambi di nome: Continental, Universal e, esattamente 10 anni fa, **CARIOCA!**

60 anni fa, venne utilizzato per la prima volta il nome "Carioca" per contrassegnare la **penna 10 colori**, un prodotto iconico ancora presente nel nostro catalogo e nei vostri negozi.

Ci stiamo avvicinando a questi significativi **anniversari** in piena forma. Siamo fieri del lavoro svolto e grati per il **riconoscimento** che voi, **clienti**, e soprattutto **consumatori finali**, ci state tributando. Abbiamo ampliato la nostra distribuzione a oltre **90 paesi**, posizionando i nostri prodotti nei **migliori punti vendita**.

Da pochi mesi, abbiamo introdotto una nuova linea innovativa e distintiva, **CARIOCA PLUS**, che sta guadagnando un'identità unica sul mercato.

Prima di **festeggiare** questi anniversari, stiamo guardando con attesa ai prossimi **traguardi** e non vediamo l'ora di celebrare i successi che abbiamo raggiunto **insieme**.

A presto!

Giorgio Bertolo
General Manager carioca SpA

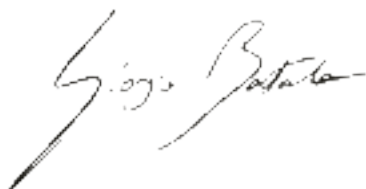

With the beginning of 2024, we are facing a **milestone**. This year marks the convergence of **three anniversaries** for the history of Carioca. In 2024, we will celebrate the **70th anniversary** of the entrepreneurial journey that led to the establishment of our current company, undergoing three name changes: Continental, Universal, and exactly 10 years ago, **CARIOCA!**

60 years ago, the name "Carioca" was used for the first time to mark the **10-colours pen**, an iconic product still present in our catalogue and in your shops.

We are approaching these significant **anniversaries** in great shape. We are proud of the work we have done and grateful for the **recognition** that you, our **customers**, and especially **end consumers**, are bestowing on us. We have expanded our distribution to over **90 countries**, positioning our products in **best shops**. Furthermore, a few months ago, we introduced a new innovative and distinctive line, **CARIOCA PLUS**, which is gaining a unique identity in the market.

Before **celebrating** these anniversaries, we are looking forward to our next **milestones** and can't wait to celebrate the successes we have achieved **together**.

See you soon!

Con el inicio de 2024, nos enfrentamos a un **hito**. Este año marca la convergencia de **tres aniversarios** para la historia de Carioca. En 2024, celebraremos el **70º aniversario** desde el inicio del viaje empresarial que condujo a la creación de nuestra empresa actual, pasando por tres cambios de nombre: Continental, Universal y, hace exactamente 10 años, **¡CARIOCA!**

Hace 60 años, se utilizó por primera vez el nombre "Carioca" para el **bolígrafo de 10 colores**, un producto icónico todavía presente en nuestro catálogo y en sus tiendas.

Nos acercamos a estos importantes **aniversarios** en un gran momento. Estamos orgullosos del trabajo realizado y agradecidos por el **reconocimiento** que nos otorgan ustedes, nuestros **clientes**, y especialmente los **consumidores finales**. Hemos ampliado nuestra distribución a más de **90 países**, posicionando nuestros productos en las **mejores tiendas**. Además, hace unos meses presentamos una nueva línea innovadora y diferenciadora, **CARIOCA PLUS**, que está adquiriendo una identidad única en el mercado.

Antes de **celebrar** estos aniversarios, estamos deseando que lleguen nuestros próximos **hitos** y estamos impacientes para celebrar los éxitos que hemos conseguido **juntos**.

¡Hasta pronto!

DESIGN BY

CENTO GANESI

Cento began his career at the end of the 80s, immersing himself more and more in the Italian and global Graffiti scene. He has also been working as designer in the streetwear clothing for many years, giving him the opportunity to collaborate with many brands. His style, in many ways unique and "cheerful", conveys a sort of serenity and light-heartedness that provides a clear idea of who is the person behind the name of Cento.

DESIGN BY

Van Orton is a creative duo made of twin brothers from Turin. Their art is influenced by “pop culture”, evolving thanks to the use of symmetrical grafting and bright lines. They started by reinterpreting cult movies icons of the 80s, allowing them to gain quickly a strong visibility and the opportunity to collaborate with major brands like Marvel, Microsoft, Armani and BMW and worldwide known artists such as Pearl Jam.
