Welcome to this edition of our exclusive FSW Weekly.

This edition of our FSW Weekly was very nearly a Spark exclusive copy! Until today we had only received a delivery from Spark but today a little balance was brought to our lineup with boxes from Ixo, Oxford, Schuco, Trofeu and DSN 43 all bringing great interest and variety for your collections. Of course we have also updated our future production listing with news and production updates so don't neglect having a look to keep abreast of what is happening...
