FESTIVAL 2023

HOW TO GET INVOLVED

# HARVEST

## FESTIVAL 2023

We have designed some digital material to resource you in your collections. Here are some ideas for you to make a difference:

### CHURCHES

How about a Drive-Thru Donation Point on your car park supervised by some of your church community, or a drop-off point at your Church Leader/Home Group Leaders house. Pool financial donations & order a supermarket delivery to our warehouse, or ask us to spend it to bulk buy on your behalf.

### SCHOOLS

Although we will not be able to speak at schools this year, we are still able to collect donations. Do contact us at [info@thewell-wolverhampton.co.uk](mailto:info@thewell-wolverhampton.co.uk) to arrange collection.

### WORKPLACES/ ORGANISATIONS

We can collect by arrangement, you can drop-off the donations at our warehouse or we have drop-off points at supermarkets across the city.
