Pastelegance  
\$160

From the vast array of available peony varieties, we've chosen fifty exceptional ones to grow on our farm, regularly adding 5 to 15 new varieties each year. Our fields boast over 5000 mature peony plants, yielding thousands of blooms annually. While some blooms are harvested for market, others provide a stunning display during our popular annual open house in June.

Felix Supreme  
\$30

Red Charm  
\$40
