Name(s) _____

Fairytale Remix 🏰

Σ Elementari

📄 Give an old fairy tale a new spin! Mix characters from different worlds to create your own fairy tale!

Title: _____ Page 1

CHARACTERS Page 2

Choose the fairytale characters from the Elementari image library that will be in your story.

List and describe each character.

- Example: Snow White is a princess with fair skin, rosy cheeks, and a love for animals.

SETTING Page 3

Set the scene of where your story takes place. The setting can be different from the original fairytale! For example:

- Imagine the faraway kingdom from Cinderella's story is actually a jungle village.

CONFLICT Page 4

What problem do your character(s) face?
- Examples: a dark spell, rough terrain, a wicked witch, evil curse, societal rules

RISING ACTION

Show the main character's journey and the obstacles they encounter along the way.
- Example: encountering a monster, hiking through the jungle

CLIMAX

What is the most intense, exciting or important part of your story that everything leads up to?
- Examples: fighting the monster, rescuing the princess

RESOLUTION

How does your story end?
- Examples: the monster is defeated, the spell is broken, the princess is saved
