"Excellent choice for corporate gifts...

I have been using Giftbox Boutique for a couple of years now and can't say enough about their awesome selections of gift boxes and excellent service. They have definitely made my corporate gift giving task so much easier.

Highly recommend them to everybody."

A black gift box is filled with a variety of gourmet items. Inside the box, there is a bottle of Daniel Le Brun wine, a box of Lindt Excellence 70% dark chocolate, a box of Ferrero Rocher chocolates, a box of gourmet wafers, and several bags of snacks including chocolate pretzels, honey & Dijon soy crisps, and gourmet wafers. The box is decorated with a green ribbon. Surrounding the box are additional items: a wooden board with cheese, grapes, and chocolates; a small jar of jam; a tube of cream; and two gold-colored spoons.
