

Merry Christmas!

This handmade mini album was crafted with love and festive cheer.

It's designed to hold 12 to 14 of your favorite 4x6 holiday photos. You can easily slide your photos under the decorative elements, and I've included placeholders to guide you on the perfect photo sizes.

Additionally, I've added some extra decorative pieces and embellishments so you can personalize the pages even more!

Wishing you a season full of warmth, love, and cherished memories.
