

# How to Read Your Electric Bill: FirstEnergy/Illuminating Company

A monthly bill has two main types of charges:

**DELIVERY (DISTRIBUTION) CHARGES:** Fees paid to the local utility to maintain power lines, read a meter, and manage the billing process.

**SUPPLY (GENERATION) CHARGES:** The cost of the actual electricity used, measured in kilowatt-hours (kWh).

**NOTE:** The SOPEC Electric Aggregation program only affects the Supply (Generation) Charge. The local utility sets the Delivery (Distribution) Charge.

The **Price-to-Compare** is the default supply rate charged by the utility if another electricity supplier is not selected.

**Delivery (Distribution) Charges** are regulated rates set by The Illuminating Company.

**SOPEC** partners with **AEP Energy** to provide the **Generation Supply rate**.

This is where a customer will find their rate. Please note, this is a mock supply rate and not necessarily representative of the actual rate. Customers can find the rate for their community at [sopec-oh.gov/our-communities](http://sopec-oh.gov/our-communities).
