IN GOOD COMPANY WITH RIEDEL GLASSWARE

Over the years, Riedel has acquired scientific explanations as to why the shape of a glass influences the bouquet and taste of alcoholic beverages. In comparative tastings, the same wine displayed completely different characteristics when served in a variety of glasses. The differences were often so great that experienced connoisseurs were made to believe that they were tasting different wines.

**Riedel 'O' Cabernet +
Decanter Set**

€49.90

Our bestselling Riedel Value Set includes 4 x O Series Cabernet stemless wine glasses plus a free decanter.
