CELEBRATION JULY 4TH 2023

CENTRAL PARK

WELCOME FROM OUR BOARD CHAIR

= \star \star \star \star =

On behalf of the SVCC Foundation, I am delighted to welcome you to our July 4th celebration! Today, we gather together as a community to commemorate the birth of our great nation and to honor the principles of liberty, freedom, and unity that have guided us throughout history. This festive occasion holds a special place in our hearts as we come together to celebrate the remarkable achievements and the spirit of resilience that define our nation.

As the SVCC Foundation Chair, I am proud to witness the collective efforts of our community in preserving the values that make our country strong. This July 4th celebration is not only a time for jubilation but also an opportunity to reflect on the sacrifices made by the countless individuals who have dedicated their lives to upholding the ideals of our democracy. It serves as a reminder that we must continue to strive for equality, justice, and inclusivity for all.

Today's festivities would not be possible without the unwavering support of our sponsors, volunteers, and community members. I extend my deepest gratitude to everyone who has contributed to the success of this event. From the dedicated organizers to the talented performers, our diverse vendors and the enthusiastic attendees, your passion and dedication are what make our celebrations truly exceptional.

On behalf of the SVCC Foundation, I wish you all a happy and memorable July 4th celebration. May this day be filled with joy, laughter, and a renewed sense of patriotism. Let us continue to cherish the freedoms we hold dear and work towards a future that honors the vision of a diverse and equitable democracy.
