

Christian Harlow

Class of 2029 | Vancouver, WA
King's Way Christian High School

Christian Harlow is grounded first in his faith and family. Calm and even-keeled by nature, he's seeking a coaching staff with that same calm intensity — one that will guide and sharpen a game already built to win at the next level. His long-term goal isn't just to turn professional, but to compete for major championships. He's targeting a program that can actually get him there with proven results, strong facilities, and the coaching depth to back it up.
