

BLOCK PARTY BLOCK #52

Patched Up!

Designed for the Studio 180 Design's

~ Four Patch Square Up® ~ Wing Clipper®

~ Time Out Technique Sheet ~ Offset Four Patch Technique Sheet

Created By: Tina Dillard

When you combine several Four Patch Square Up techniques, you create a block that is completely "Patched Up." By integrating the Offset Four Patch that frames the center of the block with the Time Out techniques that form the corners, along with the Wing Clipper tool, you can create an exciting new block design. In the original block, three fabrics were used, but you can add a fourth or fifth color to make it even more vibrant: it's entirely up to you.

Note: The instructions for creating this block can be found in the Four Patch Square Up®, and Wing Clipper® tools. You will also need the following Technique Sheets: Time Out and Offset Four Patch.

If you don't have the Studio 180 Design tools, please visit your local quilt shop or order them directly from Studio180Design.net.

Unit Summary:
