# wash and care

## instructions

Reading **wash instructions** is the first step to avoid decoloration on any bed components, they will give you the key about temperature and other process to keep your clothes unharmed.

### General recommendations

wash separately

do not bleach

do not tumble

do not iron

cold water machine  
wash, delicate cycle

use mild  
detergent

dry in the shade

fry flat

### Principal recommendations

1. You can dry clean any product (optional).
2. For home washing we recommend:

Twin size (IND): drum size 13 kg washing machine.

Full size (FULL SIZE): drum size 15 kg washing machine.

Queen size (QS): drum size 18 kg washing machine.

King size (KS): drum size 20 kg washing machine.

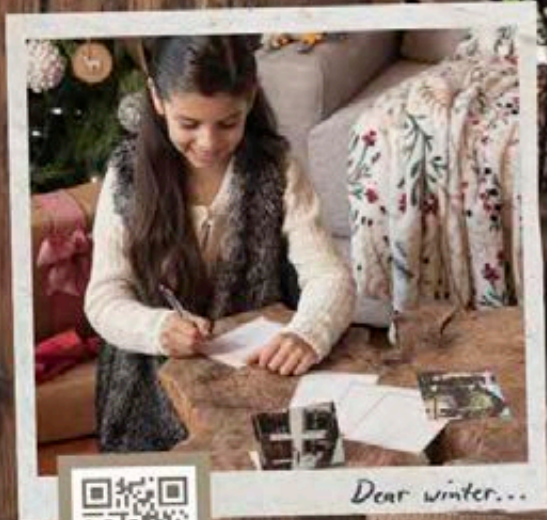

### Special recommendations

Sparkles and other decorations are made with the best quality and are able to resist delicate cycle for washing machines and ordinary use.

For the best care, we recommend no to tumble or iron your decorated comforters or cushions.

### Applies for

Comforters, bedspreads, sheets, blankets and body pillows.
