August 2021

Dear Brethren,

I just got off the phone with GEORGE PITKA, he lives in RUSSIAN MISSION on the YUKON RIVER in Southwest ALASKA. Bro. George is the one who went with me to Savoonga! Savoonga shut the doors to me to travel there due to Covid. George and I have been in contact to make travel plans to the villages there in his region of Alaska. I asked George if he has heard of Covid going thru the villages again!! He said he said yes, it is going through some.

Amazing!!

Not if, but when the new VARIANT STRAIN hits here the doors will be shut. I am not being negative but positive. George and I have set a plan in motion. We are praying asking GOD to open the door to the villages. Many villages are refusing entry if you have not been vaccinated. I have NOT been vaccinated.

Issues that have happened. My knee was replaced five months ago and is doing good. Three weeks ago, I took my two grandchildren for a ride on the four-wheeler down to a rock quarry pond. Five-year old Paxson and two-and-a-half-year-old Addi! WE ARE ALL FINE, HEALTHY AND BREATHING!!!

I set Addi in between me and Paxson. I let Paxson off the machine by the pond's edge to throw rocks then got him back on the machine and backed up facing the pond. I had to lean to my left to change gears. The very moment the shift made, Paxson grabbed the throttle full bore holding tight. We were about 6-8 ft from the pond and the machine was going to the right but forward right so fast all was a blur! We hit a hump that threw us up in the air and slamming us in the water on our left side. We went under water. BY THE GRACE OF GOD, WE GOT OUT! All are ok.

I lost my glasses in that pond. I went to the eye doctor two days after the event, and they saw an eye bleed on my left retina. They set me up for an echocardiogram and a sonogram for my corroded arteries! Wow! What is this about? So, I did the tests all of which lasted three hours ending with a test to see if a hole was in my heart! The results came back perfect! The bleeding in my eye must have come from me slamming my face in the water, as the left eye was sore, and my vision was not so good. All is better now!

I add all of this up to THE MERCY OF OUR ETERNAL ALMIGHTY GOD!!!

Here is my phone number 907-687-0417. I encourage everyone who is interested in this work to text me for inquiry on our work here or anything! Texting is best because most of the time for me to talk on the phone I need to be on the road into town. Please text! Please pray for us in this work! I will ANSWER AND LOVE TEXTING WITH YOU!!!

The key is PATIENCE!

Thank you to all for the love, prayers, and support!

Bro. Gary Hampton
