**Pastor and church,**

**Thank God for your lives, may God bless you, your families, and ministries; we pray that all you are doing very well, and the grace of Christ would be with you and everything you do.**

**We love you, dear pastor and church. We want to thank you so much for your friendship, your love, your prayers, and your great, faithful, and valuable support every month. God is using you to help us do His precious work, and to keep making known Christ to this world. Christ has to be preached to every creature on the earth. Thank you very much, dear church. May God bless you much more.**

**God has called us to preach His gospel, to glorify Him, and to prepare workers to go preach. So, we are still doing this wonderful ministry. Without Jesus the people have no hope or salvation; the need of Christ is enormous. It is very sad to see people suffering because of their sins. We are sure the only hope is Christ. This is our burden, that all these souls may have the opportunity to hear about the only Lord and Savior, Jesus.**

**We keep preaching the gospel to all people and are so blessed to see that the hand of God is faithful, and He does His work very well. We just need to be faithful. Praise God. Two guys that were drug addicted have been saved and are attending church faithfully. Please keep praying for us.**

**We are also working on the construction of the church building. We are sure God is going to provide for this work. Thank you for your wonderful support, dear Christian family.**

**We thank God for our home church, the Rodgers Baptist Church and our pastor Travis Gilbert for their missionary heart and love for Christ, and for their faithfulness. We are sure God will do great things in Chihuahua. The need is great, there is still a lot of work to do. There are a lot of people without knowledge about Jesus and we have the honor and the responsibility to make Him known.**

**It is a privilege to serve Christ.**

**Thank you very much, pastor and church.**
