

# Take and Make: Library Jigsaw Puzzle

## Take and Make Kit Includes:

- Disassembled library puzzle

## Additional Materials Needed:

- Clear tape

## Instructions:

1. Remove all puzzle pieces from the bag.
2. Work to assemble the puzzle to display a final photo of the library building.
3. Once the puzzle is complete, use clear tape to cover the photo, keeping all pieces secure.
4. Flip the finished puzzle over to discover some of the free amazing things that the library has to offer!
