

Your **Rooted Shop Account** is the place to access all your Rooted in Language resources, including the programs/classes previously provided on the RiL Thinkific site.

Sign-in Instructions

1. Go to [Account→Rooted Shop Login](#) on the Rooted in Language website.
2. Enter your email (the same email used on the RiL Thinkific site or when placing an order).
3. Enter the verification code sent to your email.
4. Click **"My Courses"** in the Account navigation bar and select your program/course.

📌 **Important:** Read the **"Before moving on"** message at the top of the course Welcome page.

Trouble signing in?

We migrated all access from the RiL Thinkific site, so if you don't see your programs/courses under "My Courses" in your Rooted Shop Account, it is usually due to a **Shop Pay** account under the same email. Since our site runs on Shopify, signing in to Shop Pay first typically resolves the issue.

1. Go to [Shop.app](#) and sign in using the same email as your Rooted Shop Account.
2. Then, sign in to your [Rooted Shop Account](#) on our website with the same email. If you had previously signed in here, please sign out and then sign in again.
3. Click **"My Courses"** in the Account navigation bar.

! If this does not resolve the issue, check for and complete any device and browser updates.

One sign-in . . . all RiL resources!

"My Courses"

- Pinwheels curriculum
- All School Licensed programs - Pinwheels, Wand, and Grammar School Licenses
- All educator training

"My Orders & Downloads"

- Order history
- PDF downloads for Wand home educator version, PDF-only purchases, and samples since April 2024 (for older orders, contact us if you need PDFs resent).

"My Profile & Subscriptions"
