### Paper Plate Boat

**Supplies:** paper plate; plastic drinking straw; paper triangle; crayons, markers, or colored pencils; tape; scissors to poke a hole in the plate (have a grown-up help you)

1. Fold the paper plate in half.
2. Color it to look like a boat on the ocean (you can color both sides).
3. Decorate the triangle sail if you would like.
4. Have a grown up help you to poke a hole on the fold of the plate and insert the straw about 1 inch in and tape it to the plate.
5. Tape your sail to the straw.
6. Set your boat on a table and start rocking it like a boat on the sea!

# SEA how great these books are!
