Hot Air Balloon

Activity pack for June 6, 2022

June 5th marks National Hot Air Balloon day! The hot air balloon is the oldest form of flight technology! There is no better way to celebrate than by creating your own 3D hot air balloon!

3D Hot Air Balloon

Supplies: balloon templates (5 colors), string, toilet paper roll basket, glue/tape, scissors

1. Cut out balloon templates and fold in half.
2. Glue each side to another paper to create 3D effect.
3. Tape string on the inside of the toilet paper roll.
4. Tape the top of the pieces of string to the inside of the balloon.
5. Optional: Tape the remaining string at the top to watch your balloon spin!
