Activity pack for August 8, 2022

Spongy Apple Art

Supplies: Paper plate, red paint, sponge, brown and green construction paper, scissors, glue

1. Use the sponge to paint the paper plate by using a patting motion.
2. Cut out a rectangle for the apple stem using the brown construction paper.
3. Cut out a leaf using the green construction paper.
4. Glue both pieces on top of the paper plate.

Bite into a new book!
