Winter

Activity pack for February 6, 2023

Cutting activities help to strengthen hand muscles and is a great fine motor skill. Working on how to properly hold and use a pair of scissors can be difficult. The goal of this activity is to provide pre-school readiness.

Winter Hats

Supplies: Strips of colored construction paper, cotton balls, glue, scissor

1. Using your scissor, cut the colored strips of construction paper into small pieces. The pieces can be in whatever shapes you like.
2. Then, cut out your hat from the template.
3. Glue the cut-up pieces onto the center area of the hat.
4. Next, take the cotton balls and pull them apart.
5. Lastly, glue the stretched out, stringy cotton balls onto the bottom trim of the hat and the top puff ball.
