

Set-Up to Arrive for Your Panel

Step 1 - Click the Events Page - below - to start Login

You may login through a **web browser** if you do not have your event “Ticket.”

Please go to this link https://events.zoom.us/ev/AEGsORYZRzdOkmQH4nR5ucG-MGrqYrzsVTzSbafOehbYfDJKenD4Qs_zkjOswV3ncUOsf3IA

Step 2 - Once at the page, **Click “REGISTER”** - This will prompt your Zoom login.

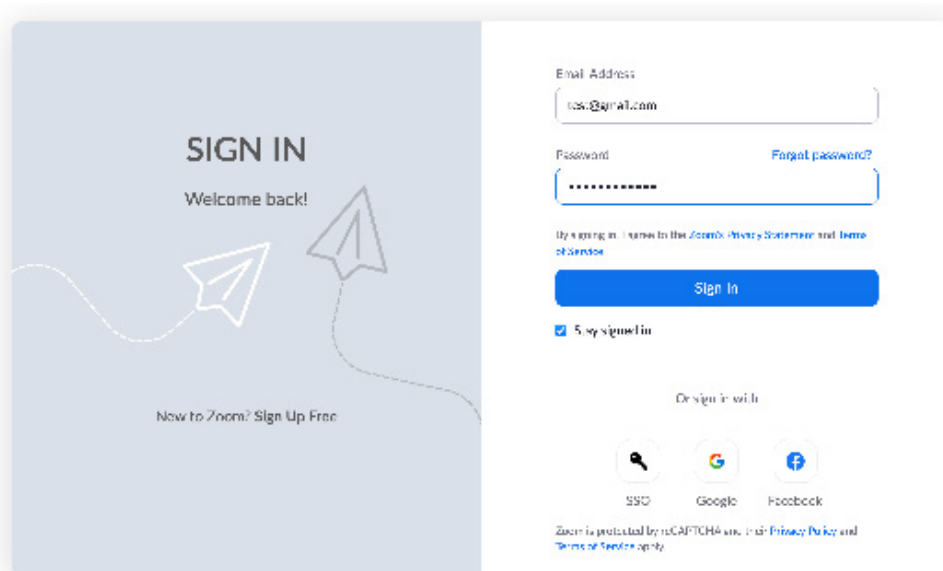

The screenshot shows the Zoom event page for the George Mason Law Review 25th Annual Antitrust Symposium. The event is scheduled for Feb 21 - 25, starting in 6 days. The page features the event title, a large blue 'Register' button, and a 'Free' label. The event is hosted by George Mason Law Review. The page also includes a 'Share' button and a 'Favstar' button. The event is open to users located on this list of countries and regions. Users located outside of these countries or regions will not be able to register for this event.

* IF USING PERSONAL EMAIL *

(i.e. GMAIL, YAHOO, or a work address which isn't a company-specific Zoom account)

Step 3 - Sign in with email and password

The screenshot shows the Zoom login page. The page has a light blue background with a paper airplane icon. The 'SIGN IN' header is prominent, followed by 'Welcome back!'. The login form includes fields for 'Email Address' (with 'tsc@gmail.com' entered) and 'Password' (with a masked password). A 'Forgot password?' link is next to the password field. Below the form is a 'Sign In' button. A checkbox for 'Stay signed in' is checked. At the bottom, there are links for 'Sign Up Free', 'Log In with SSO', 'Log In with Google', and 'Log In with Facebook'. The page also mentions 'Zoom is protected by reCAPTCHA and our Privacy Policy and Terms of Service apply'.

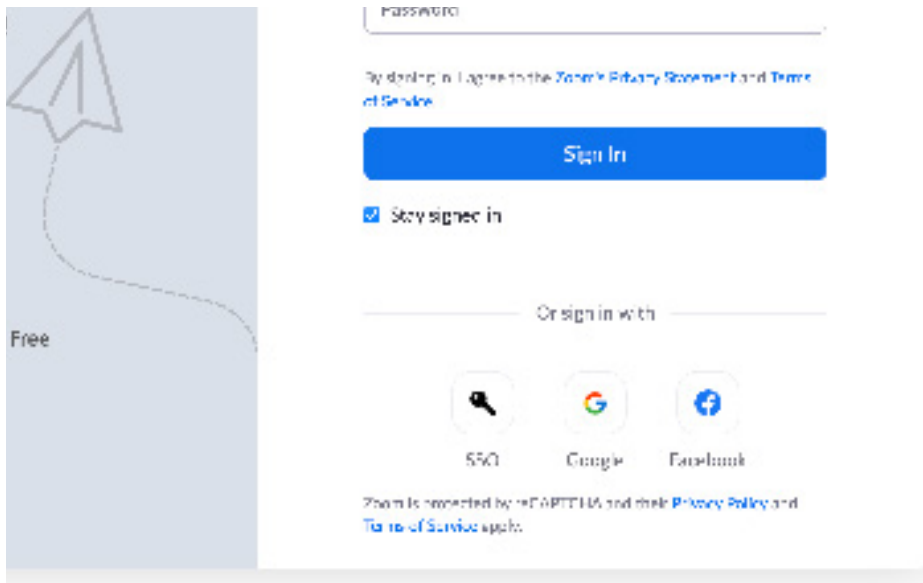

NOTE:

You MUST log-in with the email address associated with your initial registration.

Gmail accounts seem to require both web browser and Zoom application logins.

*** IF USING WORK EMAIL w/Zoom Account***
(i.e. George Mason has a Zoom account, so our emails go through SSO)

Step 3a - Click on SSO (bottom left image with a key)

NOTE:

NOTE:

You MUST log-in with the email address associated with your initial registration.

Step 3b - Add your company domain

For example, my email address is aolsavsk@gmu.edu, so I type in “**gmu**”

Sign In with SSO

Company Domain

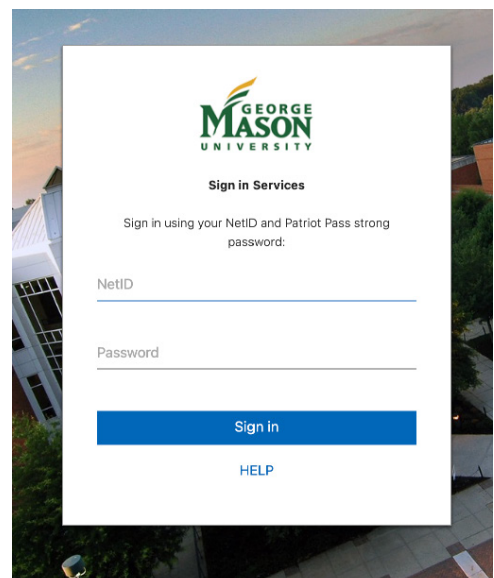

gmu .zoom.us

Continue

[I don't know the company domain](#)

Step 3c - Sign in using you company's portal

For example, this is what GMU email addresses will see

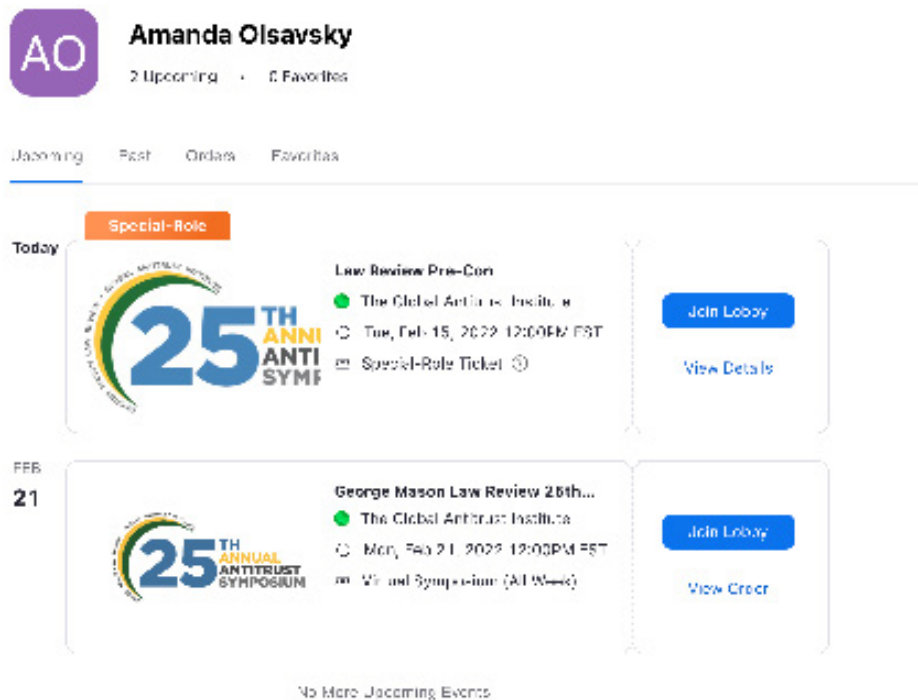

Step 4 - Once logged into your account, you should be brought directly to the Zoom Symposium Page. **Click “JOIN LOBBY” (pic 1).**

Some accounts will be brought to a **Ticket Page (pic 2).** **Click “JOIN LOBBY”**

TROUBLE SHOOTING

if you are logged in and **not taken directly to the Conference page**, go back to **STEP 1** and click on the link.

When you click the link, if you 1) **still see “REGISTER”** (and not “JOIN LOBBY”) and you are definitely 2) **logged into ZOOM**; this means we have a different email address associated with your account

During the Event

Step 5 - Once you are on the main event Lobby page, you will see the upcoming sessions with a button to click “Join.” This will bring you into a typical Zoom event view. OR you will have the option to view the session from the Lobby.

Each session will run Q&A differently, so listen for instructions from the moderator on how to submit questions.
