

Trail Life Monthly Newsletter

July 2022

Happy 4th of July

Spending time with the family during summer vacation is such a blessing, and time well spent. This helps us recharge our batteries after having such a busy schedule during the school year. When your family is back home, I wanted to encourage you to stay involved with troop activities. Our Trail Life troop has developed and grown into a more mature ministry; we have organized events throughout the program year. Teams of Trailmen and adult leadership have done a great job planning incredible events for this summer. Events like Woodlands Trail Adventure Camp, Western Regional Roundup with over 225 people planning to attend, white water rafting, camping and backpacking. Activities like these are so important to the success of our program. For a Trailman to only attend during the school year is great, but is really limiting the excitement, learning new skills and time spent glorifying God with other members of the troop. We are continuing to meet this summer for our weekly patrol meetings learning new skills and having fun. Please pray for our troop as we continue to grow and walk worthy.

Fall Calendar

July

5 – No Troop Meeting

Signup [LINK](#)

Woodlands Trail Corner

June started with a bang, with an amazing weekend camp and night out fishing.

- Reminder, no patrol meeting on July 5th
- Please welcome our newest Trailmen
 - Isaac Bellomy – Nav
 - Kai Dayton – Hawk
 - Finn Dayton - Fox

Mt Adams Hike

Adventurers from our troop really showed what they are made of by climbing and conquering the mighty Mt Adams mountain.

Regional Roundup will be on July 28 – 31, for those registered don't forget to complete health documents.

Trailmen going into 6th grade and older are invited to go rafting on July 22nd at 5:30 at Bear Valley Rafting. Signup link - <https://white-water-rafting-copy.cheddarup.com>

Adventurers are invited to go boating on August 7th at lake Cascade.
