Registration No. S/59154/2007

**Dear Donor,**

We at A Giggles Welfare Organization are deeply concerned about the plight of the underprivileged and at this time and fears of Corona virus infection entering the community transmission stage, we are trying to respond to the needs of disadvantaged communities at this unprecedented time. We have identified two immediate and urgent requirements to help mitigate the crisis.

By God's grace, it became possible for us to offer support to needy people in **July 2020** like every month. If we look at this month, **we have distributed food as ration, food to poor people stranded in the middle of the lockdown, and migrants waiting to return to hometown due to Corona Virus (COVID-19), also we distributed mask for the needy.**

Sharing our efforts with you all brings a smile on our face, and we hope that maybe our tireless efforts will encourage you to do something for the disadvantaged people. With time, we realized that the real bliss lies in making others happy. Here, you can see how our team is working. We want our kids and our donors to be healthy and so their safety is our utmost priority and would request all of you to stay safe stay home.

Thanks for your unconditional love and support.

**Thanks & Regards**
