

ALPHABET LETTER CARDS

Print and cut out these 52 alphabet letter cards featuring big and small letters. There's lot sof ways you could find to use them to help little ones learn their letters. Here's a few ideas to start you off...

- Pairs memory game – Place all cards face down, turn over 2 cards at a time to try and find a matching pair.
- Letter hunt – place around the house or a room and find the pairs
- Jigsaw – place all letters in the correct order in a line or grid
- Spelling – see how many 3 or 4 letter words you can make
- Find the missing letter – remove one from the pack and your little ones have to try and work out what it is
